Circular No. XV, dated 20th May 1897.

From the Accountant General to the Government of Madras, to all Collectors and Treasury Officers.

Sir,

The Principal, College of Engineering, has brought to notice that receipts granted by Treasury Officers for fees paid by candidates for admission to the different classes of the College are generally very incomplete and that this gives rise to a good deal of unnecessary correspondence and delay in the disposal of the candidates' applications.

2. With a view to guard against such complaints in future, I have the honor to request that the following instructions may be carefully observed in the preparation of the receipts :—

(i) The receipt should bear a clear impression of the Treasury Seal as well as the name of the Treasury distinctly written.
